We will have light snacks and refreshments as you browse the art of
DonnaBellas Angels and sample spa treatments from Suki Day Spa.

DonnaBellas Angels is a U.S. tax exempt non-profit whose mission is to
provide inspirational, healing art to the public. The art is intended for
those coping with a chronic or terminal illness or disability such as
cancer, chronic pain, or addictions. We give original art to medical
centers or wellness clinics for their waiting rooms or patient treatment
rooms. DonnaBellas Angels distributes art prints to patients, their loved
ones, or medical staff for enjoyment & emotional healing.

Art to provide Hope in Living, Art to Provide Memory in Passing

*"I like to hang the pictures in my room when I come to the hospital for chemo.
It gives me something pretty to look at when I am not feeling good."
-Response of an 11-year old cancer patient when asked about what the art means to her*

Door donations will be collected for the fundraiser. With at least a \$15 donation, recipients
are eligible to receive a \$15 gift certificate toward a future Suki Day Spa Treatment.
